Our experience

## OYK Bureau for Engineering Consultancies

---

- **OYK** bureau for engineering consultancies founded by consultant engineer/ Osama YehiaKadry was established in 1987. The firm is specialized in both engineering design and total management (quality control, quality assurance) construction management fields acting as a complete partner with its' client beginning from feasibility studies and Design works moving to workshop drawings and site supervision for all its' projects with a 24 year history of successful partnership with its' clients.
- **OYK** has made several feasibility and technical studies and Asset assessments. One of our highlights is the environmental assessment for Mubarak Youth project owned by the World Bank.
- **OYK** offers its' services also in the fields of Planning, Cost control, Claims and Arbitration either for contractors or for owners.
- **OYK** bureau for engineering consultancies submit their Experience Record in the following consulting activities:
  1. Conceptual Design including Initial survey of locations and site , soil investigation , testing and report .
  2. Preparation of Request for Proposal Document (RFP) including but not limited to: Detailed design, Specifications, Bill of quantities, Instructions to bidders. In addition to preparation of all license Drawings and Documentation.
  3. Bids evaluation and participation in Contract Negotiation with successful Suppliers / Contractors.
  4. Follow-up and supervision all site activities including but not limited to:
    - a. Supervision of all activities of different Disciplines.
    - b. Review and Approval of Material/Equipment submittals.
    - c. Review and Approval of Contractors'/Suppliers' Interim and Final payments.
    - d. Review and Approval of Project's time Schedule and its updates.
    - e. Implementation of Quality Control system.
    - f. Implementation of Safety/health procedures.
- **OYK** home office is located in Cairo and its' main branch –its second branch is located in U.A.E, Abu Dhabi-established in 2006- with an ambitious plan to extend our services to all over the world.
- Listed below is a list of the projects, clients and fields where **OYK** has proudly worked in:
  - **Industrial Projects:**
    - ❖ **Cement Plants:**
      - ❖ Alternative fuel project KATTAMIA cement plant – Italy cement.

## OYK Bureau for Engineering Consultancies

---

- ❖ Repair work for main fuel tank - menya cement plant-Italy cement .
- ❖ Design of steel sheds , workshops , office buildings and utility buildings - wadi el Nile cement plant – RHI company
- ❖ Design of steel shed – Al Masrya for contracting – amreyah cement plant
- ❖ Design of conveyer extension – Al Masrya for contracting – Kattameya cement plant
- ❖ Design and supervision of windbreakers – Qena cement plant-Qenacement company .
- ❖ Coal storage project – ASEC Menya cement plant – Qena cement company
- ❖ Helwan cement bags factory – Italicementi group
- ❖ Conveyer steel structure – Kattameya cement plant
- ❖ New Mazot tank – El menya cement plant
- ❖ Alternative fuel and coal store project –Qena cement plant-Qenacement company .
- ❖ By pass burial at Amreyah cement plant - Intercement
- ❖ Design for Coal mill bridge – Suez cement plant – Italy cement
- ❖ Design and placing of foundation for drag chain conveyer – helwan cement plant-Italy cement.
- ❖ Repair work and design for conveyer column in el amreyah cement plant -intercement.
- ❖ Design works for fan filter building heat exchanger building – chimney – national cement plant line ( 4,5 )- (CTP Italy) .
- ❖ Design and placing filters and fan over the roof of home silo – tourah cement plant-Italy cement.
- ❖ CAP project – HELLWAN cement plant – Italy cement.
- ❖ Gypsum retaining wall - HELLWAN cement plant – Italy cement.
- ❖ Conveyers steel structure strengthening supports – Suez cement plant – Italy cement
- ❖ CAP project – Suez cement plant – BOLDOROCCHI ITALY
- ❖ Ferro mangize silos HELLWAN Tourah cement plant – Italy cement.
- ❖ National cement plant environmental and dedusting project - ASENPRO.
- ❖ Up-grade No 3 for Tourah cement plant No 8.
- ❖ Up-grade No 2 for Tourahcement plant No 8 clinker cooler.
- ❖ Up-grade for Quttamia raw mill buildings line No 1, line No 2.
- ❖ Quttamia main chimney stairs – Quttamia cement plant.
- ❖ Helwan GYPSUM and clinker stores course – helwan cement plant.
- ❖ AL MANIA white cement plant cement -F.C.B France

## OYK Bureau for Engineering Consultancies

---

- ❖ National Cement Plant cooler and kiln raw mill building, Helwan.
- ❖ Beniuef Cement Plant Clinker cooler and store and kiln foundation, Beni Suef.
- ❖ Tourah Cement Plant line 8 and 9, Tourah.
- ❖ Al Max dry cement line 4, Alexandria.
- ❖ Al-Madina gypsum store – Al-ain Alsukhna client ASEC engineering and management.
- ❖ Bucket elevator tower Al – Yamama cement plant – Saudi Arabia - ASENPRO
  
- ❖ Cement Wall Block Factories:
  - ❖ Cement Wall Block Factory owned by Mineral Wealth Company, Suez.
  - ❖ Alpha Cement Wall Block Factory, Suez.
  - ❖ Cement Wall Block factory owned by National Cement Company, Helwan.
  
- ❖ Ceramic Plants:
  - ❖ Line No 1,2 rock ceramic plant at Alain Alsukhna.
  - ❖ El Pharoneya Ceramic Plant, El Fayoum.
  - ❖ El Pharana Ceramic Plant, El Fayoum.
  - ❖ AL Amel ceramic plant at FAYOM
  - ❖ Alpha Ceramic Plant, Cairo.
  - ❖ El Alameya Ceramic Plant, Suez.
  
- ❖ Oil Refinery:
  - ❖ Petrol Refinery, New Valley Governorate.
  
- ❖ Steel Fabrication:
  - ❖ New ASENPRO Steel Fabrication Plant, Helwan.
  - ❖ Old ASENPRO Steel Fabrication Plant, Altabbin.
  - ❖ ARESCO balls Steel mills Fabrication Plant, Helwan, 10<sup>Th</sup> of Ramadan.
  
- ❖ Food Factories:
  - ❖ Al Bashayer Food Complex, Giza.
  - ❖ Mamdouh Helmy Food Complex, Ismailia.
  
- ❖ Sanitary utilities plant:
  - ❖ El Maleka plant for sanitary Equipments, El Fayoum.
  
- Chemical plants:
  - Sodium bicarbonate plant in Beniuef , United Group
  
- Pumps and pipe plants :
  - ❖ SIGWART pumps and pipe plants for Egypt at Helwan.
  - ❖ ARMY plant for recondition of pumps and salt water declination plants and filters .
  
- Pharmaceutical factories :
  - ❖ Al Debiiky Pharma factory in Benha
  - ❖ ARMY plant for recondition of pumps and salt water declination plants and filters .

---

### ▪ **Residential Projects:**

#### ❖ Compounds and Buildings:

- ❖ Kader residential project at Alabour city.
- ❖ 4 buildings consist of 12 storey in Tanta – Arab contractors
- ❖ Bent El Sultan Compound, 6<sup>th</sup> of October.
- ❖ El Fedaa Compound, 6<sup>th</sup> of October.
- ❖ MR Eng. Mohamed OSMAN multi story building at Nasser City, Cairo, the building consist of basement, ground floor and 12 floors above ground.
- ❖ A I AHRAM Complex consist of 2 five star hotels, shopping center, 300 flat building, 150 villas & infra structure
- ❖ El Fedaa Residential buildings (Northern sector), Cairo.
- ❖ El Fedaa Residential buildings (Southern Sector), Cairo.
- ❖ El Shaheed High Rise building, Cairo.
- ❖ Numerous villas for individuals in 6<sup>th</sup> of October city and new-Cairo.
- ❖ Numerous villas and mansions for individuals in ABU Dhabi and Al Ain.
- ❖ Aisha El Darmaky Castle – Abu-Dhabi
- ❖ Ahmed El Garw Castle – Abu- Dhabi
- ❖ Interior design for 2 apartments in el obour
- ❖ Interior design for Al Jzeera Hotel and Luxurious apartments in Al Madinah – K.S.A
- ❖ The huge youth housing project in Badr city which consisted of 200 5 storey building the project has a total sum of 1200 residential buildings ( owner : Egyptian armed forces )
- ❖ The youth housing project in Dahshour which consisted of 50 5 storey building the project has a total sum of 2000 residential buildings ( owner : egyptian armed forces )
- ❖ Soleya compound project – Inertia properties

#### ❖ Resorts:

- ❖ Riviera Hotel And Resort, Hurghada.
- ❖ Windsor Hotel and Resort, Hurghada.
- ❖ Al Nosour Resort, Zafarana.
- ❖ A I AHRAM Complex consist of 2 five star hotels .
- ❖ Garden City Hotel and Resort, Aswan.
- ❖ Garden City Hotel and Resort, RasSidr.
- ❖ Garden City Hotel and Resort , Sharm El Sheikh

## OYK Bureau for Engineering Consultancies

---

- ❖ El samaka Hotel , Hurghada
- ❖ Sonesta Hotel , Sharm El Sheikh
- ❖ KookiHotel and Resort , Aswan
- ❖ Royal Palace Hotel and Resort , MarsaMatrouh
- ❖ Al Shorafa Hotel , Abudhabi
- ❖ El gawhara Resort , Fayoum.
- ❖ Interior design for Al jzeera hotel – Medinah – K.S.A
- **Commercial construction projects:**
  - ❖ Offices, Workshops and Administrative buildings:
    - ❖ Port Said Cultural Complex: 2 cinemas, theatre, confrence hall, and ballroom.
    - ❖ El ghoul Administrative building in sheikh zayed city
    - ❖ Car workshop maintenance center for cars, earth work equipment, cafeteria, Abu Dhabi
    - ❖ ASCOM main repair workshop, 6th of October.
    - ❖ El Sweedy Cement Plants' workshop, store, cement sale office and Administrative building, Benisuef.
    - ❖ Misr For Petroluem administrative building in Sharkeya .
    - ❖ ARESCO Administrative Building, Cairo.
    - ❖ ASENPRO Administrative Building, Cairo.
    - ❖ Tourah Cement company's'AdministrativeBuilding,Tourah.
    - ❖ BANI MAZAR Sales taxes office building at BANIMAZAR – AL MYNIA
    - ❖ Al FASHEN sales taxes office building at AL FASHEN – BaniSuef Cultural center " commercial building " at NEMA BAYL by – Sharm EL Sheikh
    - ❖ Benisuef Cement Company's Administrative Building, Benisuef.
    - ❖ Military car workshop –U.A.E Ministry of defense – Abu Dhabi .
    - ❖ OYK consultancy office interior , Mohandseen .
    - ❖ El Sherouk City Festival Hall , El sherouk
    - ❖ Conference Hall - Arts academy
  - ❖ Theme parks:
    - ❖ Kooki theme park , Aswan
  - ❖ Shopping Centers:
    - ❖ VIVA Mall, SharmEl Sheikh.
    - ❖ Al Ahram Shopping Center
    - ❖ Benighazi shopping center , Benighazy , Libya
  - ❖ Culture Centers:
    - ❖ Portsaid Culture center , Portsaid
    - ❖ Al Ain Islamic Culture center , Al Ain – U.A.E
  - ❖ Landscaping:

## OYK Bureau for Engineering Consultancies

---

- ❖ Development of 2 squares in sheikh zayed city for Mega Scan
- ❖ Design of 1 square in Badr city for Badr city authority.
- **Institutional Projects:**
  - ❖ Banks:
    - ❖ Egyptian Industrial Development Bank, Cairo.
    - ❖ Industrial Development Bank, Cairo.
    - ❖ Industrial Development Bank, Sohag.
    - ❖ Industrial Development Bank, El Fayoum.
    - ❖ Ahly Bank interior design Garden City branch , Cairo .
  - ❖ Hospitals:
    - ❖ Al AgyalHospital, Cairo.
    - ❖ MonoufeyaChestHospital, Monoufeya.
    - ❖ New AzharHospital, Cairo.
    - ❖ AbouTartourHospital, AbouTartour.
    - ❖ D.R. SherifKhattab clinic interior , dokki .
      - ❖ Mosques:
        - ❖ Sheikh Hamad Grand Mosque and Islamic center - Al Ain .
- **Infra structure Projects:**
  - ❖ Roads and tunnels :
    - ❖ Safaga-El Quseir Asphalt Road.
    - ❖ **Supervision of the international coastal road ( Alexandria – Matrouh ) extension and upgrades**
    - ❖ Connecting Road between Qena cement plant and Safaga-El Quseir Road.
    - ❖ Development of the international coastal road from 100 KM till 110 KM in front of marina al alamein resort – New Alamein city authority ( ministry of housing )
    - ❖ Connecting road between Menya cement plant and the main Menya-Red Sea Road.
